Remarks

Incredible value for a 3 bedroom, 2 bath, 2 car garage, free standing home in a condominium community with beautiful nature panorama and a family of deer who live there. Awesome views from the the living room, Florida room and primary bedroom. The current owner enclosed and central air conditioned the lanai, giving the property 2000 sq ft of living space. Vaulted ceilings with rafters in the living room and luxury vinyl flooring throughout the property with the exception of the Florida room. Guest bedrooms are generously sized. One of the few homes with nature views from living areas.
